

August 15, 2022

Dear Parent/Guardian,

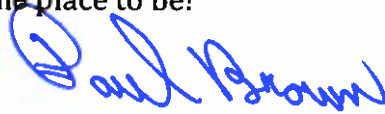

I want to welcome you and your child to David A. Brown Middle School. My name is Paul Brown and I am going to be your child's Math Advanced Course 1 teacher this year. I am very excited to have the opportunity to teach your child and will do everything I can to help them be successful. Working together, we can make this a great year.

I want to let you know that Back to School Night is Wednesday, August 24th. This is where I will be giving a lot of information about the class. Hope you can make it that night.

I have a class website www.mrbdabms.com. On the class website there is a blog for Math Advanced Course 1 where I post what we are doing every day in class such as assignments, handouts, notes, tests/quizzes, etc. This is a good place to look if you want to know what your child is doing in math or if your child is absent from class.

As a teacher I am always willing to accept donations of Kleenex, white copy paper (8 ½ by 11), 12-pack-colored pencils, and pencils,

Hope you had a fantastic summer and are looking forward to an amazing school year! D. A. B is the place to be!
